## Part II Report on Activities and Achievements

(A) What is the Organization's mission as set forth in its statutes?

The IPKO Institute's mission is to help provide the tools, knowledge, and environment required for Kosova to participate in the global information society.

(B)(1) What are the Organization's major programs?

The IPKO Institute Management Program
Internet Connectivity Program

(B)(2) What activities does the Organization engage in to implement the programs in (B)(1), above?

The organization aspires to assist those individuals seeking education and training in computer technologies. We have an open door policy where individuals can inquire about our programs and visit our facilities.
Our Management program runs in partnership with the Swedish School for New Media Management—Hyper Island sponsored by Olof Palme International Center. This is the fourth year this program is being run.
Our Internet Connectivity Program grants free internet connections to deserving organizations, hospitals and Universities/High Schools where they can use technology to better achieve their missions and goals.

(C) What were the Organization's key program achievements for the financial period ending December 31, 2006?

We again received funding and sponsorship for our Management Program from SIDA via the Oolf Palme International Center. The financial reports are attached.
We sold the shares we had at the company IPKO Net. The shares were sold in June 2006, and since then we are not the shareholders at IPKO Net anymore, we sold 100% of the shares. The total sum we received from selling of shares was 3,166,667.00 Euro.
