€12,208

Amount of sponsorship

100%

Of sponsorship benefiting youth

33.3%

Of sponsorship benefiting the community outside of Prishtina

60%

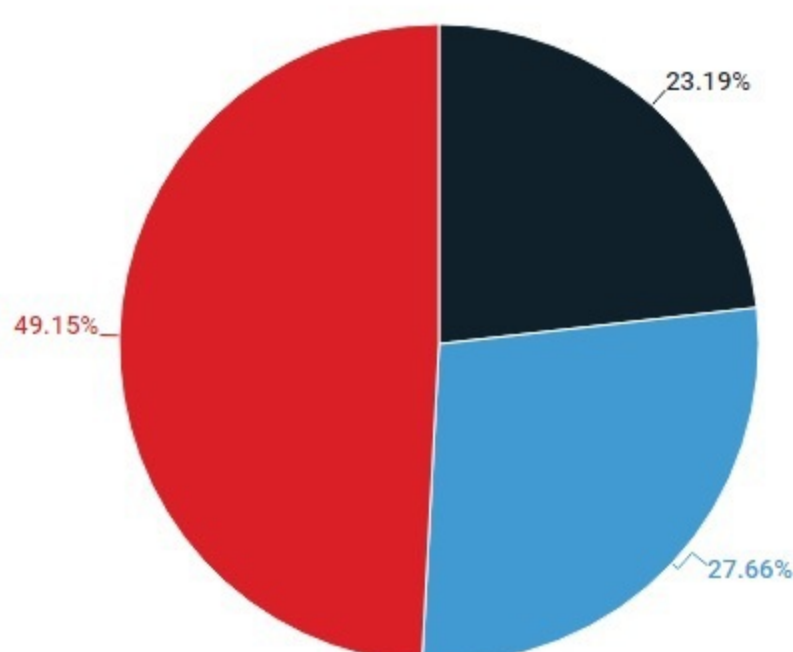

Of sponsorship benefiting women specifically

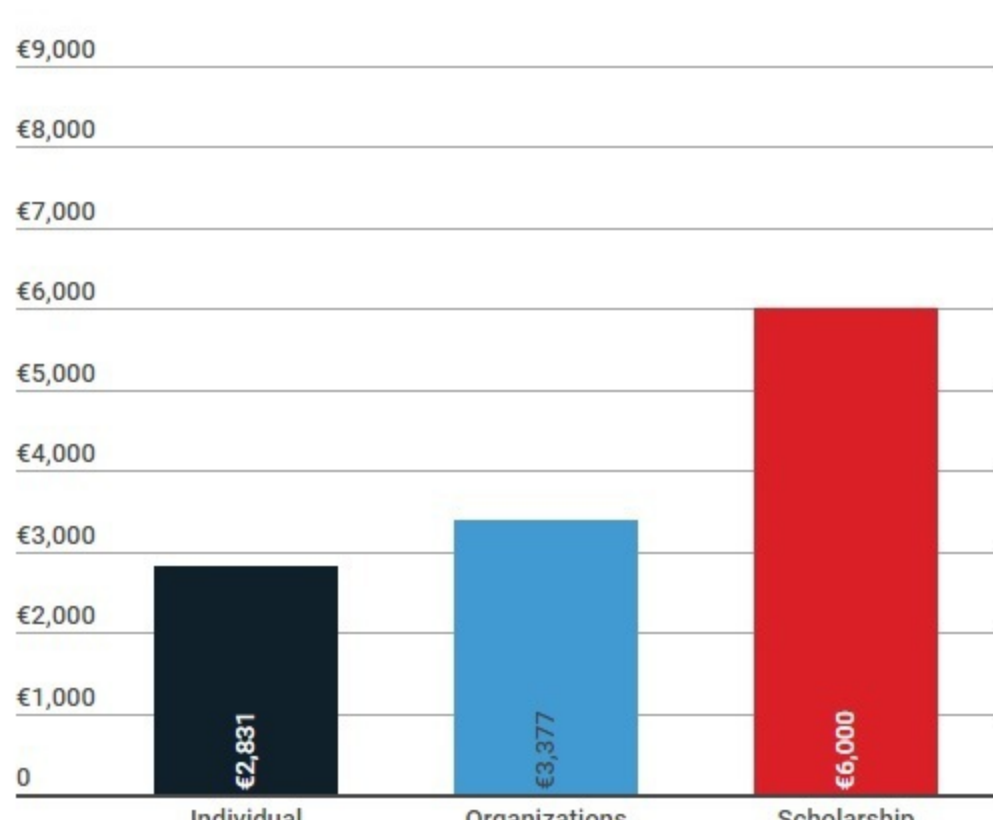

”

This scholarship would allow me to acquire devices such as routers, switches, multiplexers and more, which would further expand my area of knowledge on both software and hardware, the combination of which may open more doors for invention and innovation.
